

Give the Gift of Healing Through Your Donor-Advised Fund

Help ensure we have a future where no one is forced to recover alone with your DAF. A grant from your donor-advised fund will help build a community for transformation healing. Burn survivors and their loved ones deserve a chance to live their best lives and celebrate every moment. Do good with your DAF.

Three ways to give through a donor-advised fund:

1. **Recommend a grant from your DAF through your fund administrator:** You can recommend a gift to Phoenix Society by contacting your fund administrator or
2. **Set up recurring grants from your DAF:** You can set up recurring grants to help sustain the life-changing mission of Phoenix Society. Please contact your fund administrator and choose your grant frequency or
3. **Name Phoenix Society as the beneficiary of your DAF:** You can help continue our mission after your lifetime by naming Phoenix Society as the beneficiary of your DAF. Simply contact your fund administrator to do so.
