## 2023 REIMAGINED

Phoenix World Burn Congress (WBC) is the world's largest gathering of burn survivors, their families, burn care professionals, and the fire service industry. The event is hosted by Phoenix Society for Burn Survivors, the leading national nonprofit supporting burn survivors.

For many burn survivors, Phoenix WBC is their first opportunity to connect with others on the journey of burn recovery.

## Aaron Volpatti

### Keynote Speaker

Setting a goal and visualizing his future kept Aaron Volpatti going when he burned 40% of his body when he was 19. His journeys and successes wouldn't have been possible without the extremely powerful visualization practice he developed.
