

APRIL IS DONATE LIFE MONTH!

Many burn survivors are alive today because of a tissue transplant.
Join Phoenix Society in spreading awareness of the life-saving impact of tissue donation.

ONE TISSUE DONOR CAN HELP HEAL THE LIVES OF MORE THAN 75 PEOPLE.

Tissues that can be donated include:

Each year...

58,000

tissue donors provide tissue for transplant

2.5

 MILLION
tissue transplants are performed

95%

 of Americans are in favor of being a donor
BUT ONLY 58% ARE REGISTERED
